Dear Parent or Guardian

TAAL-NET GROUP OF SCHOOLS – CLOSING OF SCHOOLS IN LINE WITH COVID-19

On the 15th of March 2020, our President Cyril Ramaphosa declared a national state of disaster by announcing measures to contain and manage the spread of the COVID-19 pandemic. We as Taal-Net Group of Schools have aligned our procedures regarding the outbreak of the coronavirus in South Africa with the Governments, Departments of Education and other authorities in the country in which it is represented, to ensure that we comply with the preventative measures prescribed in the interest of the health of our learners, our parents and our staff.

The processes and procedures of Taal-Net Group of Schools regarding the management of the coronavirus, as outlined across the group, have been implemented to protect our learners, parents, staff and other stakeholders

We understand that parents 'are concerned about the disruptive nature of the global pandemic and the impact it will have on the school year. We would like to reassure all parents and guardians that Taal-Net is committed to providing our children with a full year's schooling; all stipulations in terms of your enrolment agreement with Taal Net Group of Schools will remain in place.

The president announced that schools will be closing on the 18th of March 2020 till the 14th of April 2020, instead of closing on 20 March 2020 to 31 March 2020. to make up for the additional days in the first term holidays, the school calendar for the second term will be adjusted to reduce the mid-year by 7 days and the third term will be adjusted by reducing the third term holidays by 3 days.

Please note that the amendment of the school holidays on the first term calendar will only apply to the pre-school to grade 11 learners. **Examination classes i.e grade 12, IGCSE, Matric rewrites NCS/November learners will be required to attend holiday lessons.** Parents should also download the school app on google play store (Taal-Net group of schools), teachers will be posting assignments and homework's for specific grades during and after the school holidays.
